COMPANY INFO

Elux is an interior design group widely known for staging and interior design of houses, to make it look beautiful and fashionable. And also, more appealing to potential buyers if you are to sell.

We have done so many projects successfully since we started, which have given us credibility and made many home owners and businesses to believe in our work of excellence.

To make sure every part of our work is of high quality, we have a design studio where we build most products needed ourselves. And make it affordable for our customers. Because of this, most of our clients have never changed us since 2011 that we started.

This shows the level of experience we have acquired in the staging and interior design industry since we started in the past few years.

OUR SERVICES INCLUDE; Online Decorations, Custom Cabinetry & Millworks, 3D Design Project, Architect 3D Design, Custom Interior & Exterior Doors, Dovetail Drawers, etc.
